

Special Notice

Pandemic COVID-19 Precautionary Measures

Anyone visiting DBGC should not board the Club shuttle bus or enter the Club premises if;

- They have travelled to COVID-19 affected countries and regions[#] in the last 14 days
- They have been in close contact with any other person who has been to COVID-19 affected countries and regions.
- They are experiencing flu-like symptoms**

***Bus drivers and receptionists are now equipped with infrared thermometers in case anyone would like to check the temperature if they suspect they may have a fever.*

The Club requests anyone to sign the travel and health declaration form before using the Club facilities.

The Club asks that everyone practice good hygiene and be considerate of others by;

- Wearing face mask before boarding the shuttle bus
- Stepping on the red sanitation mat at the front entrance
- Covering their mouth when they cough or sneeze
- Disposing of used tissues and facemasks properly in litter bins
- Wash their hands regularly and utilize the hand sanitizers placed throughout the Club

Your understanding and cooperation are greatly appreciated.
