## **IMPORTANT NOTICE**

### **“FORE”**

Dear Members

When playing golf please be aware of the dangers of playing golf and the occasional wayward shot that might be hit to/from an adjacent part of the course.

If in any doubt as to the direction of your shot you are required by the Rules of Golf and the requirements of the etiquette of Golf to call “Fore”.

Please note that out of general courtesy “Fore” should be called when a ball has veered in the general direction of the Valley road from Ruby 9 (Left and Right) to alert the unassuming public of imminent dangers that they are in the vicinity of a golf course.
