

Jade Course Renovation

Postponed

Due to the ongoing Novel Coronavirus (2019-nCoV) situation, availability of materials and labor are uncertain and therefore the Club has decided to postpone the Jade Course Renovation. While this is not the ideal situation, it is the only sensible option at the moment. Please rest assured that the Club is committed to the Jade project and when the situation improves, we will kick off the project as soon as possible.

Thank you for your patience and understanding.
