OTHER PREVENTIVE & PRECAUTIONARY INITIATIVES

Members are advised that the following measures are in place to mitigate risks:

- Anyone entering the Clubhouse will be required to go through **temperature screening**. Guests will be asked to fill out their personal details in the Guest Registration Log Book.
- **Face masks** must be worn on the shuttle bus and inside the Clubhouse at all times. We urge Members and Guests to maintain this practice outdoors before entering the golf course.
- We strongly recommend everyone to maintain a minimum social distance of **1.5 meters** on course and in the Clubhouse.
- The in-house ventilation system has been enhanced to improve air flow.

The Club has adopted a high level of cleaning and disinfection procedures. All areas within the Club premises are sanitised regularly and are safe to use.

We look forward to seeing you soon!
