

Dear Members,

We are pleased to announce the appointment of Mr. Eddie Chan as the new Discovery Bay Golf Club (DBGC) General Manager effective 15 June 2021, who takes over the reins from Ms. Louise Lam, who will be returning to her family.

Eddie is a seasoned club management professional who brought with him a wealth of experiences and sound knowledge in managing sports and recreation facilities, and country clubs. Over the past 30 years, Eddie has proven track record in overseeing different functions at various prestigious sports and recreation clubs including The Clearwater Bay Golf & Country Club, Kowloon Cricket Club, Kowloon Bowling Green Club and The Redhill Peninsula Club. Prior to joining DBGC, Eddie achieved success in managing the highly respected Hong Kong Country Club as Deputy General Manager, serving some 2,000 members and their families.

Eddie has a strong passion for sports and outdoor activities and is a golfer for over 20 years. A certified Sommelier, Eddie is also a food and wine enthusiast.

Please join me in giving Eddie a warm welcome. We are confident that with the support from the Club Management and all members, Eddie will bring DBGC to the next level.

We would also like to thank Louise for her contribution during her tenure with DBGC. We wish her success in her future endeavours.

Yours sincerely,

Discovery Bay Golf Club Management
