

Golfers' Driving Licence

Safety is always our first priority when we are offering our facilities and services to members and guests. With respect to our ongoing insurance policies and coverage, effective from 1 December 2021, all members and guests must have a valid driving licence before they are permitted to operate golf carts within the Club's premises.

Members may submit a copy of a valid driving licence to our Membership Department by hand or via email: moti.ho@dbgc.hk to update our record.

Thank you for your kind attention.
