

## **Beware of Wild Boars**

We have recently noticed the presence of wild boars at the golf course during early morning and late evening hours. To minimize the risk of encountering wildlife while playing on the course, it is important to be aware of your surroundings and exercise caution when walking into bushes to retrieve your golf balls. If you do happen to come across wild boars, please remain calm and avoid disturbing them any further.

Our staff is always available to assist you. Please do not hesitate to contact us if you notice any incidents or potential hazards at the course. Your safety is our top priority.
