

Course Arrangement on Weekdays

Please be informed that the current golf course operations and the additional maintenance works that will be carried out to ensure the playability of the courses, following the heavy rainfall in April and early May.

To maintain the high standards of our golf courses and provide you with an improved and enjoyable golfing experience, we have scheduled maintenance works to be conducted starting from 27 May 2024. During this period, the two-course operations for weekdays' mornings and afternoons (Monday to Friday) will be in effect until further notice.

Please find below the schedule for the course operations:

From 27 May 2024

	Mon	Tue	Wed	Thu	Fri	Sat	Sun
AM Session	2-course	2-course	2-course	2-course	2-course	3-course	3-course
PM Session	2-course	2-course	2-course	2-course	2-course	3-course	3-course

Remarks: 3-course operations will be applied if the Public Holidays fall into weekdays.

We understand that the closure of certain sections of the golf courses may cause some inconvenience. However, we believe that these maintenance works are essential to ensure the long-term playability and enjoyment of our courses.

Thank you for your understanding and cooperation.
