Circular No. CL/02/12/24

Dear Members,

**Re: Notice of Fee Adjustment for 2025**

We hope this correspondence finds you well and in great spirits!

Despite the challenges of unstable weather this summer, our dedicated team has gone above and beyond to keep our golf courses in fantastic shape. We trust you have noticed the outstanding playability since September, and we are proud of the efforts that have made your golfing experience enjoyable.

At Discovery Bay Golf Club, we aim to provide you with the best facilities and unforgettable golfing experiences. The new electronic trolleys are in service from 1<sup>st</sup> December. Meanwhile, we are excited to share other exciting enhancements coming your way, which are all set for 2025, including the new shuttle bus route between Sunny Bay and DBGC, upgrades of the existing Kiosk, and renovations to the Driving Range. We trust these upgrades will further enhance your experience. We will announce in due course when we have more concrete details.

To maintain our standards and continue providing exceptional experiences, we have made the thoughtful decision to adjust our fees and charges, effective 1<sup>st</sup> January 2025. Please refer to the attached "Fees and Charges" note and the "Members Handbook 2025" in the member portal (<https://www.dbgc.hk>) for more information.

Please rest assured that we are devoted to ensuring your experience remains top-notch. We genuinely appreciate your understanding and support as we make these critical changes.

Let's make the upcoming year at Discovery Bay Golf Club genuinely spectacular as we continue to strive for excellence in our services. With the festive season approaching, we wish you and your loved one a Merry Christmas!

Yours sincerely,

Eddie Chan  
General Manager
